

# SPECIMEN LABEL

## STICKER - SPREADER

**SPECIALTY ADJUVANT SYSTEM DESIGNED FOR AGRICULTURE USE & NON-CROPLAND AREAS**

**PRINCIPAL FUNCTIONING AGENTS:**

Polyterpene and other hydrocarbons ..... 96%  
 Constituents Ineffective as Spray Adjuvant ..... 04%  
 100%

All ingredients are exempt from tolerance requirements under 40 CFR 180.

### KEEP OUT OF REACH OF CHILDREN DANGER / PELIGRO

If you do not understand this label, find someone to explain the proper use of this product in detail before proceeding.

Si usted no entiende la etiqueta, busque a alguien que se la explique en detalle antes de proceder con el uso de este producto.

**FIRST AID**

**Call a poison control center or doctor immediately for treatment advice.**

**If Swallowed:** Have person sip a glass of water if able to swallow. Do not give anything by mouth to an unconscious person.

**If on Skin or Clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or ambulance, and then give artificial respiration, preferably mouth to mouth if possible.

**If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eyes.

\* Have the product container or label with you when calling a Poison Control Center or Doctor, or going for treatment.

**In Case of Emergency, Call CHEMTREC: (800) 424-9300**

**GENERAL INFORMATION**

**AM-AG® STIKKER MAXX™** is a quality sticking agent, intended for use with most crop protection products, in which the label permits the use of a spreader sticker. **STIKKER MAXX™** is compatible in spray solutions, with most commercial crop protection and foliar feed micronutrients. A thin coating of **STIKKER MAXX™** solution, bonds the pesticide to the crop foliage. This decreases the risk of residue erosion from rainfall or irrigation. **STIKKER MAXX™** contains a UV inhibitor which will help reduce damage due to sunlight.

**DIRECTIONS FOR USE**

Add **STIKKER MAXX™** to the spray tank as it is filling, with the agitator running. Under most circumstances, apply solution with **STIKKER MAXX™** a minimum of one hour, during sun up, before an expected rainfall. Sunlight during this time frame is necessary to create the bond.

Use of **STIKKER MAXX™** with pesticides should follow DTH limitations. This product may produce visible residues with certain pesticides which may reduce the salability of crop.

If this is a potential problem the **STIKKER MAXX™** rate may be reduced, or the addition of **STIKKER MAXX™** should be suspended at or near harvest. **STIKKER MAXX™** has NO LIMITATIONS on non-food crops. Personal Protective Equipment: Wear long-sleeved shirt and long pants, shoes plus socks when mixing or applying **STIKKER MAXX™**.

FOR USE WITH	PER ACRE	FOR USE WITH	
Insecticides	4-6 oz.	Air Blast Sprayers	4-6 oz./100 gal. solution
Fungicides	4-6 oz.	Free Sprayers	4-6 oz./100 gal. solution
Hormonal Herbicides	4-6 oz.	Hydraulic Gun Sprayers	4-6 oz./100 gal. solution
Foliar Nutrient Sprays	4 oz.	Aircraft Sprayers	4-6 oz./Acre
Glyphosate	4-6 oz.		

**MIXING:**

Prior to making any pesticide application, be sure to use clean mixing and application equipment. Carefully follow the observations on the product label. A jar test should be conducted for compatibility before mixing the individual components into the spray tank. Fill spray tank three - quarter full with water and begin agitation. Add **STIKKER MAXX™** and continue the agitation process. Add pesticides and/or fertilizers as directed by the product label or use the following mixing order if no other instructions are available:

1. Micronutrients and fertilizers.
2. Dry flowables & water dispersible granules. (Be sure the granules have dissolved well prior to adding the remaining ingredients).
3. Water soluble pesticides.
4. Flowables & emulsifiable concentrates.
5. Continue agitation and complete filling of the spray tank.

**STORAGE AND DISPOSAL:**

**DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.**  
**STORAGE:** Store in original container away from children, animals, foods, feeds and seeds. Handle in accordance with the Precautionary Statements on the label. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent material. Scrape up and dispose in accordance with Product Disposal.  
**PRODUCT DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.  
**CONTAINER DISPOSAL:** Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at [www.acrcycle.org](http://www.acrcycle.org). Decontaminated containers may also be disposed of in a sanitary landfill.

**CONDITIONS OF SALE AND WARRANTY**

**NOTICE:** Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded. AM-AG, LLC (AM-AG) warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated when used in accordance with the use directions under normal conditions AM-AG neither makes, nor authorizes any agent or representative to make, any other warranties, express or implied, including fitness or merchantability. The directions for use of this product should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as timing and method of application, weather and crop conditions, presence of other materials, or other influencing factors, all of which are beyond the control of AM-AG and Seller. Buyer and user acknowledge and assume all risks and liability resulting from the handling, storage and use of this material not in strict accordance with directions given herewith. In no case shall AM-AG or the Seller be liable for consequential, special, indirect, or incidental damages or losses resulting from the handling or use of this product. The foregoing is a condition of sale by AM-AG and is accepted as such by the Buyer.
